## Measurement

- **OnlineConversion.com**  
Convert just about anything to anything else. Over 5,000 units, and 50,000 conversions.  
<http://www.onlineconversion.com>
- **AAAMath: Measurement**  
Features basic measurement skills, unlimited interactive practice, and explanations and examples.  
<http://www.aaamath.com/mea.html>
- **A Dictionary of Units of Measurement**  
An excellent 'A to Z of units' is available from this site run by Russ Rowlett at the University of North Carolina.  
<http://www.unc.edu/~rowlett/units/index.html>
- **Measurement Lesson Plans**  
Features a collection of measurement lessons by grade level.  
<http://www.eduref.org/cgi-bin/lessons.cgi/Mathematics/Measurement>
- **Education World Lesson Planning Center: Measurement**  
Contains measurement lesson plans that have been written and submitted to Education World by teachers from all over the world.  
[http://www.education-world.com/a\\_tsl/archives/math.shtml#measurement](http://www.education-world.com/a_tsl/archives/math.shtml#measurement)
- **Metric Mania Lessons**  
Includes lessons and labs on length, mass, volume, density, and temperature as well as conversions (metric to metric and metric to English). Students have many opportunities to use rulers, triple-beam balances, and other science equipment to learn how to use the metric system of measurements.
