## Emergency Preparedness

- **Ready.gov**  
The Ready Campaign is designed to educate and empower Americans to prepare for and respond to emergencies, including natural disasters and potential terrorist attacks. Includes **teacher/parent** (<http://www.ready.gov/kids/parents/index.html>) and **kids** (<http://www.ready.gov/kids/index.html>) pages.

<http://www.ready.gov>

- **School District (K-12) Pandemic Influenza Planning Checklist**  
Local educational agencies (LEAs) play an integral role in protecting the health and safety of their district's staff, students and their families. The Department of Health and Human Services (HHS) and the Centers for Disease Control and Prevention (CDC) have developed the following checklist to assist LEAs in developing and/or improving plans to prepare for and respond to an influenza pandemic.

<http://www.pandemicflu.gov/plan/schoolchecklist.html>

- **Prepare.org from The Red Cross**  
Features detailed disaster preparedness materials for seniors, children, people with disabilities and animal and pet owners. Preparedness materials are available in English and multiple foreign languages.

<http://www.prepare.org>

- **CDC: Emergency Preparedness & Response Site**  
The official website from the Centers for Disease Control and Prevention provides information on all aspects of emergency response, access numbers, guidance and more.

<http://www.bt.cdc.gov>

- **FEMA: Plan Ahead**  
This program works through a broad coalition of partnerships to ensure that everyone has the necessary information and skills to protect themselves, their families, homes and businesses from disasters.
