ICT Literacy

- **ICT Literacy Portal**

This website provides a rich global resource and collaborative environment for dissemination of ICT Literacy materials, interactive discussions, research information, and international dialogue.

<http://www.ictliteracy.info>

- **ICT Literacy Maps**

a series of ICT Literacy Maps illustrating the intersection between Information and Communication Technology (ICT) Literacy and core academic subjects including geography, math, English, and science.

http://www.21stcenturyskills.org/index.php?option=com_content&task=view&id=31&Itemid=3

- **NCTL | The National Center for Technological Literacy**

Offers educational products and programs for pre-K-12 students and teachers, creates curricula, supports an online resource center, and engages in partnership and outreach with other institutions.

<http://www.mos.org/nctl/>

- **In2Edu's ICT and Information Literacy Downloads**

Includes; ICT Lesson Plans/Units, Social Studies and ICT, Maths ICT, The Arts ICT, General Multimedia, Information Literacy, ICT Administration, Programs Guides and Manuals.

<http://www.in2edu.com/downloads/index.htm>

- **ETS ICT Literacy Assessment Tests Information and Communication Technology Proficiency and Computer Skills**

The assessment provides support for institutional ICT literacy initiatives, guides curricula innovations, informs articulation and progress standings, and assesses individual student proficiency.

<http://www.ets.org/ictliteracy/index.html>

- **National Educational Technology Standards (NETS): Rubrics**

These rubrics assist state and school-district leaders in their efforts to measure and monitor the development of student technology literacy throughout the elementary and secondary grades.

<http://www.ncrel.org/tech/nets/rubrics.htm>

- **ICT & Literacy**

General site on how to use ICT literacy to support writing and reading; includes teacher resources.

<http://www.hitchams.suffolk.sch.uk/foundation/literacy/index.htm>

- **Research on ICT and Literacy**

This collection pulls together the best ideas and information to help everyone share good practice.
